

PRESS RELEASE

Andrea Guerrini appointed Vice-President of WAREG
*Permanent international recognition for ARERA comes from the General
Assembly of the Association of European Regulators
in the drinking water and wastewater sector*

Brussels, 10 December 2024 - ARERA strengthens its international presence also in European water regulation. Today in Brussels, the General Assembly of WAREG, the Association of European Regulators in the drinking water and wastewater sector, made official the election of the board and with it ARERA's new position of permanent vice-president, to be held by Andrea Guerrini, a member of ARERA's board.

"I am honoured to represent ARERA and Italy in such a significant role within WAREG"
- said Andrea Guerrini - *"This appointment is the result of the work that we, as ARERA, have carried out in recent years to strengthen the regulation of the water sector and to contribute to the transition towards increasingly fair and sustainable management models".*

The appointment of a permanent vice-president reflects WAREG's commitment to more solid and stable governance in line with the Association's strategic objectives. With this new position, ARERA will have the opportunity to continue to influence European policies and actively contribute to building a sustainable water future for all.

Finally, tomorrow 11 December, in the presence of institutions, business associations and stakeholders, the workshop 'Climate neutrality in the water sector' will be held, with the participation of Antonio Decaro, Chair of ENVI, the European Parliament's Committee on the Environment, Public Health and Food Safety.
